(WELCOME)

You are about to experience something truly different in dining. It is Teppan Yaki cooking. Teppan Yaki in Japanese means: to cook on an iron skillet. You will find our tableside cooking to be a joy to watch and we hope the selection of food will please both your eyes and your palate.

Dishes are accompanied with our authentic sodium restricted soya sauce.

Allergy and religious diets will be respected at the chef's discretion.

All our dishes are made to order. Please allow us the appropriate time to prepare dishes to your liking.
